- Director of Coaches none
- 10. USA Hockey Report none
- 11. CAHA Melissa Fitzgerald
  - Melissa thanked Stephanie Richardson for spearheading the tier game scheduling concern, which has now resulted in Midget level games being scheduled for 05-06. This is an attempt to get scheduling faciliated at a broader range (PeeWee and Bantam) in the future. Specific criteria will come from CAHA.
  - CAHA will be looking at a proposal to allocate designated weekends to leave themselves available to play games. This will provide a boost for northern California teams to complete the 100% rule. There will be an option to opt out with the exception of the last weekend in January. Teams may petition the Youth Council after regularly scheduled games have been played.
  - Youth Council will meet in April/May to review the proposed rule changes for 05-06. Rules will be proposed at the June meeting after the annual USA Hockey Conference. **Action Item:** Feedback for rule change consideration should be directed to Melissa or Pete.
  - Pete mentioned discussions regarding setting the tier playoff date in January prior to the season beginning. The CAHA requirement is to play every team one time. Date will be after final teams can roster.
  - Pete also noted that clubs fielding tier teams should be cautioned about choosing their managers wisely with regard to understanding the CAHA tier rules. He noted the requests at the Youth Council have been incredible.
  - Melissa invited club presidents to stick around at Logitech to watch some exciting tier playoff games as well as meet some of the CAHA officials who are in town for the weekend.
  - CAHA board elections will be coming up and there will be a few seats open. There is no requirement for serving as a member. Your commitment is to attend 4 meetings per year, most likely 3 of those will be in the southern California area. **Action Item:** Interested individuals should let Melissa know.

  - Pete reported that the feedback received from the clubs who responded when questioned about what the appropriate number of games should be for the Mites for the coming season...the consensus was to keep them at a 12 game schedule. In addition, Melissa Fitzgerald noted the need for a strong line to uphold the integrity of development in the mite programs. Action Item: Melissa will come back to the board with a concrete proposal for a 12 game schedule plus a minimum of 3 weekends of skills and drills that will begin in October and rotate at different club sites.
  - Chris Hathaway echoed advocating the league looking at this program as this age level should have more practice time than game time for 05-06.
  - **Action Item:** Pete will check with Chuck regarding the number of ice submissions that would have to be made by the Mite teams in order to accommodate this proposal.
- 3. 2005-2006 Age Ranges Age ranges for next season have been updated and posted on the NORCAL website.
